Dear Daw Si Si,

I write to pay my respects as you and your family gather to honor the life of your husband, Dr. Sein Win. Please accept my heartfelt condolences.

Dr. Win's lifelong commitment to the democratic aspirations of the people of Burma is an inspiration. His perseverance in their service, even in exile, embodied the highest ideals of democratic movements across the world and throughout history. I have been proud to call myself a friend of the cause to which he and his cousin, Daw Aung San Suu Kyi, have dedicated their lives.

My thoughts and prayers are with you and your family during this difficult time. May you find comfort in the profound legacy he leaves behind.

Sincerely,

A handwritten signature in black ink, appearing to read "Mitch McConnell".
